

Prestashop 1.6 manual installation

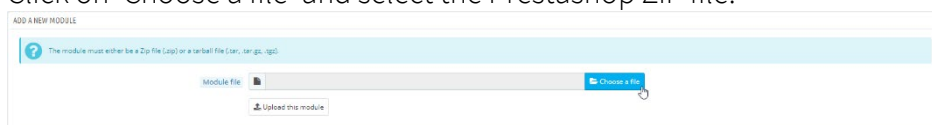

1. In the menu go to 'Modules and Services'.

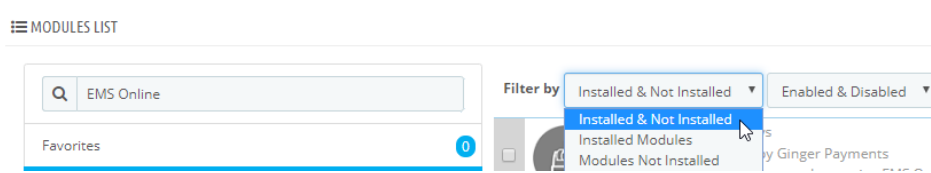

2. Click on 'Add a new module' in the top right corner.

3. Click on 'Choose a file' and select the Prestashop ZIP file.

4. Click on 'Upload this module'.
5. You will see a 'The module was successfully downloaded.'
6. Make sure the 'Filter by' is set to 'Installed & Not Installed' and search for EMS.

7. Click on 'Install' for 'EMS Online'.

8. A pop up will show. Click 'Proceed with the installation'.
9. Fill in the API key you received in the field 'API key'. Leave the rest as is. Save.
10. Go back to 'Modules and Services'. Click on 'Install' and in the pop up 'Proceed with the installation' for every payment method you'd like to activate for your webshop.
11. You're done, the active payment methods should be visible in the checkout of your webshop.
