

VirtueMart manual installation

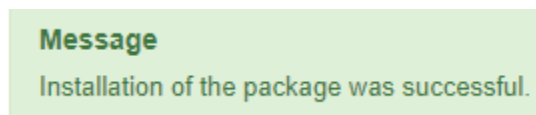

1. In the menu go to 'Extensions' > 'Manage' and then 'Install'.

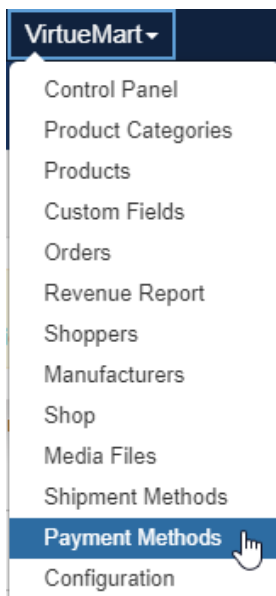

2. Either drag the VirtueMart ZIP file into the field or click on 'Or browse for file' and select the ZIP file.

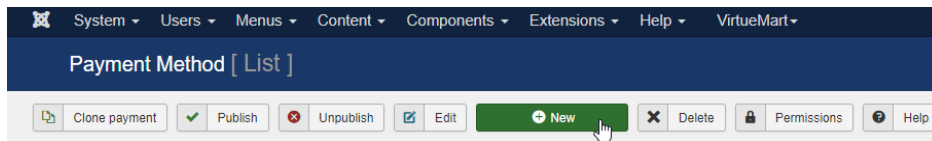

3. The plugin will be installed and show the following if it was successful:

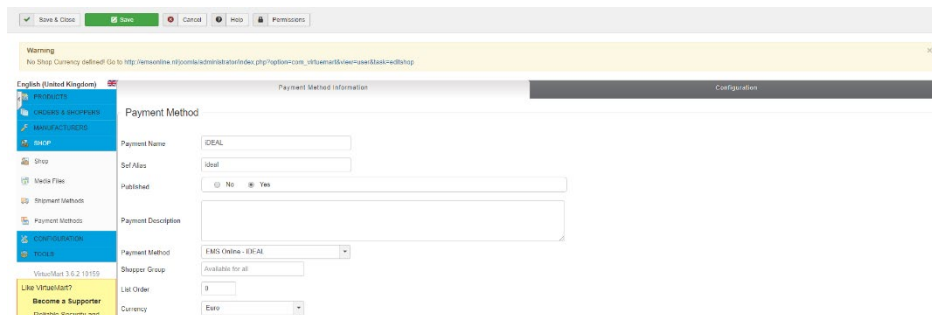

4. In the menu go to 'VirtueMart' and then 'Payment Methods'.

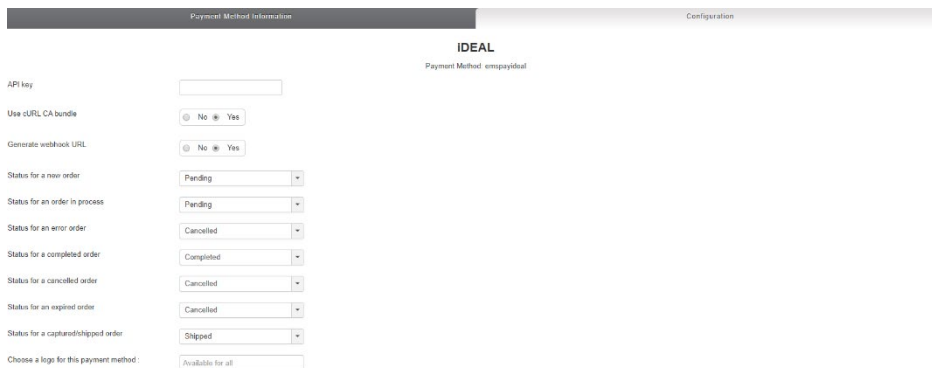

- Click 'New'.

- Fill in the Payment Name of the payment method you'll be adding. Check 'Yes' at 'Published'. At 'Payment Method' select one of the EMS Online payment methods you want to add. Choose the right Currency. Hit 'Save' at the top.

- Now click on the 'Configuration' tab in the above screenshot. Fill in the API key you received in the field 'API key'. Leave the rest as is or change to your own requirements. Save again.

- Repeat steps 5 till 7 for each payment method you'd like to activate for your webshop.
- You're done, the active payment methods should be visible in the checkout of your webshop.
